S.S.J.S.N. College, Garhwa

Pin- 822114

(A Constituent Unit of Nilamber Pitamber University, Medininagar)

Preface

The uniqueness of S.S.J.S.Namdhari College, Garhwa is its locality. It was established by eminent educationist and thinker Sri Inder Singh Namdhari, (Who was first speaker of Jharkhand legislative assembly), on 8th June, 1974 with the pious vision of providing opportunities of higher education to the poverty ridden aspirant youth of this region. It imparts quality higher education to the tribal & poor section of the nearby rural as well as the urban students of Jharkhand, Bihar, U.P. and Chatishgarh. Although the infrastructure is yet to be achieved but the student density pressure is increasing day by day. Also the opening of various P.G. courses and the operation of Vocational Departments along with the very much experienced faculties in the field of Science, Arts and Commerce department are added advantage to this institution.

If the demanding requirement of the college is fulfilled, it will be a premier institution of N.P.University.

The first and foremost endeavor of the college is to develop a quality laboratory infrastructure so that the practical classes as well as the research projects in new ventures may be initiated and accomplished. The present laboratory is insufficient to provide all the essential facilities to the increasing student strength which comprises mostly poorer and weaker section of the society.

The nearby surrounding may be utilized to provide carrier oriented more programmes and research in the field of environmental study as well as Horticulture, sericulture, apiculture etc, because “palash” trees are the main part of the forest region in these areas.

For all the above purpose of practical classes, a high quality fresh laboratory in Physics, Chemistry, Botany, Zoology, Geology alongwith Psychology, Geography and Anthropology is required in near future.

As the college requires a lot of class rooms with modern digital equipments to accommodate the increasing student strength, the college is moving forward in this regard with the help of university authorities and U.G.C.

The separate library building with all the digital facilities is the need of the modern academic era. The progress is slow in this field which will accelerate by obtaining aid from state and U.G.C.

As the student teacher ratio is below required hence we have the requirement to fill up the vacant sanctioned post of teaching and non-teaching staff as soon as possible.

The college has successfully organized various inter college meet under Ranchi University and N.P.University. We are nourishing sports personnel and N.C.C Cadets to compete at National Level, in near future.

This college is the only government college for higher education with co-education in this region. Because of this, special facilities are available with scholarship from welfare department. With the development of infrastructure like seminar hall and conference hall along with gymnasium and swimming pool etc. it has potential prospect to stop the migration of students to the major cities.

Executive Summary – The SWOC analysis of the institution

STRENGTHS:-

- ❖ Uniform opportunities provided for study to the student in this co-educational institution.
- ❖ Maximum utilization of the resources for the sake of students.
- ❖ Well supportive staff with harmonious relation between each segment of administration staff students and parents.
- ❖ Highly qualified and well experienced dedicated faculty.
- ❖ Special facility in admission and scholarship for SC, ST, OBC, Minority and girls students.
- ❖ Pure environment surrounded by lush green trees and open space.
- ❖ Extra ordinary sports personnel and NCC Cadets

WEAKNESS:-

- ❖ Lack of classroom and yet to fully develop lab facilities.
- ❖ Many posts of teaching and Non-Teaching staff are vacant which hinders the routine academic work.
- ❖ Fund required to develop more infrastructure.
- ❖ In spite of the co-operation of the institution, few economically weak students are unable to continue their higher education resulting in increase in drop out cases.

OPPORTUNITIES:-

- ❖ Advantage of a seat of higher education providing co-education in a poverty ridden backward area.
- ❖ Privilege of having Science, Arts and Commerce section along with branches of Vocational Study.

- ❖ Situated at the junction of four states (Jharkhand, Bihar, U.P. and Chhattisgarh) gives an opportunity to interact with peoples of different states.
- ❖ The pollution free pure environment and natural surrounding provide an ideal academic atmosphere.

CHALLENGES:-

- ❖ To compete with other institution having more advance infrastructure.
- ❖ To sustain quality alongwith access.
- ❖ To provide more facilities for research oriented programs.
- ❖ To cope with modern digital technology.

CRITERION WISE INPUT

Criterion 1: Curricular Aspects

Vision:

To impart quality higher education to socially and economically backward classes alongwith affluent classes of the society and inhibit the migration of human resources to other states.

Mission:

1. To empower the students, so that they can face the challenges of competitive world.
2. Maximum exposure to the potential of the economically weaker section of the student community.
3. Facilitate awareness by building competence for community service.
4. To develop sense of pride for their heritage, culture and pursue them for environmental awareness.
5. To provide equal opportunity for both the sexes, to compete with each other.
6. To generate self employment through education.

Objective:-

On the basis of the vision and mission the institute focuses mainly to ensure excellence, equity and access so as to enable its pass out students to meet the challenges of the new millennium we are aware of the challenges of modern digital technology in this regard we have started vocational program in B.C.A, I.T and B.B.A branches for better employment.

- ❖ The syllabus is prepared by the University in which HODs of various departments in consultation with board of teachers of under graduation at

University level participates. They meet periodically and the revue of syllabi of different subjects and its relevance is also taken into account.

- ❖ The calendar of curricular and extracurricular programs along with that of social service activities is framed by the college yearly. These activities are carried out under the banner of NSS and NCC unit.
- ❖ Teaching and learning programs are consistent with the goal and objective of the institution.
- ❖ Feedback from academic peers & employers are used in the initiation, review and redesign of programmes.

Criterion II : Teaching – Learning and Evaluation

- ❖ The Institution has a transparent admission process.
- ❖ The minimum marks required for admission in the undergraduate honours programme is 45% in the concerned subject at inter level.
- ❖ The details of the different category of students admitted during last four sessions are given in the table below:

Categories	Year 1 (2012-13)		Year 2 (2013-14)		Year 3 (2014-15)		Year 4 (2015-16)		Total

Teaching- Learning Process:-

- ❖ The college plan and organize the teaching, learning and evaluation schedules by holding meeting of the college staff council before commencement of the sessions. An academic calendar and teaching plan

is made by each department. The no. of classes is fixed as per the courses of study. The dates of class test and terminal examination are made known to the students well in advance.

- ❖ The college monitors attendance in class room and discipline in the campus from the very beginning. The student's knowledge and skills are assessed by organizing quiz competition, cultural competition, holding terminal examinations etc.

Mode of Teaching:-

Computer and internet facilities are available for Vocational Classes but we also believe in conventional teaching methods of eye to eye contact and Black Board/White Board method of teaching,

Student Feedback system

Students are in regular touch of teachers for their feedback but we do not have any written record in this regard.

Teacher's Quality:-

- ❖ The college has 44 regular faculty member out of each 33 are having Ph.D Degree while 11 are PG qualified. All are in the rank of Associate Professor.
- ❖ All the faculties are well experienced with not less than 25 years of work experience. They are well versed in their subject and keep them self updated by attending seminar, conferences, orientation / refresher courses and work shop on a regular basis.
- ❖ We have not introduced any system of evaluation of teachers by the students and external peers.

Students' performance and learning out comes:-

The examination results itself reflexes that the students of this college are performing well in their studies.

Research Consultancy and Extension:-

Although the institute lack basic infrastructure in this regard but the teachers are very hard working and devoted in their own field. They take active participation in seminars , conferences, work shop etc and their so many papers are published in reputed national and international journals.

Subject of Thesis in Ph.D.: - Experimental investigation of effect of aqua
Organic binary solvent system of kinetic
parameters

of solvolysis of some aromatic esters.

Email I.D.: - santkishore59@gmail.com

● **Papers Publication:-**

- In Asian journal of Chemistry Vol. 11, No.4 (1999), 1323-1328, Topic: - Specific- Base catalysed hydrolysis of methyl salicylate and isoamyl salicylate in Water ethanol binary solvent system.

● **Refresher Course:-**

- Participated in UGC-Sponsored 3rd refresher courses in environmental science(thrust area: Environmental Management) from 18.03.2005 to 07.04.2005 in Academic Staff College, Ranchi University, Ranchi obtained Grade-A
- Participated in UGC-Sponsored 4th refresher courses in environmental studies from 08.02.2007 to 25.02.2007 in UGC – Academic Staff College, R.U.Ranchi and obtained grade-A.

● **Orientation Programme:-**

- Participated in UGC-Sponsored Orientation programme held from Feb3, 2011 to March 2, 2011 and obtained grade A in UGC-Academic Staff College, University of Allahabad.

● **Seminar:-**

- Participated in UGC SPONSORED National Seminar on “corruption : Social, Ethical and Cultural Seminar perspectives” organized by G.L.A. College, Medininagar under N.P.University, Medininagar from 26-27 Sept. 2013.
- **Other Experiences :-**
 - Course Co-ordinator : Worked as a Course-Coordinator for running Vocational/Self Financing Courses at S.S.J.S.N.College, Garhwa from 27.08.2008 to 06.10.2010
 - Bursar –II & Bursar-I from 18.06.2013 to 15.07.2015
